*June 2021-
Blessed be the days of Summer !*

From the Desk of the Executive Director...

■ Greetings!

The old children's joke of March winds bring April showers, April showers bring May flowers..what do May flowers bring? Pilgrims. They also bring us this month of June. We see the grass flourishing, Summer officially beginning, and of course Father's Day. We traditionally honor the dead every day as Catholics, we pray for the dead as part of the Corporal Works of Mercy because we recognize that we are all part of the Communion of

Saints and the community that is the Church. Father's Day is a blessed day honoring the earthly father's who, in the steps of St Joseph, care for the Holy Family. We all are holy families and as we are made in the image and likeness of God the Father, so too are our families made in the image of The Holy Family. It is this deeply held Catholic belief that by imitating Christ on earth, we will achieve His Glorious Resurrection. So God the Father is the example of Fatherhood through St Joseph for us to emulate. What better way to honor these wonderful beliefs than to spend time on consecrated ground visiting and praying for the Fathers who have gone before us.

Your CCA has been working diligently to ensure the grounds are beautiful for your loved ones entrusted to our care. We welcome any comments and observations about ways to continually improve your cemeteries to make each visit a special one. Happy Father's Day!

Peace,

John Pinone
