October 2021

From the Desk of the Executive Director...

■ Greetings!

As Summer winds down to the beginning of Fall, your Catholic Cemeteries Association (CCA) continues to make improvements to all 30 of the cemeteries within the association. CCA is continuing with tree removals, road paving, water line repairs & installations, and planning for many new sections. We always are looking for ways to improve the cemeteries for the benefit of the families of the Archdiocese.

At the end of the month is Halloween which origins

come from All Hallows Eve, the day before All Saints Day. We celebrate Halloween by getting dressed up in costumes and handing out candy to children who come to our doors trick or treating. Lets not forget this is actually a day of preparation for the Feast of All Saints Day. This day the Church sets aside to honor all the Saints in heaven and on Earth. We pray to the Saints for their intercession and help in various aspects of our lives. These were ordinary people who led extra ordinary lives which ultimately elevated them to Sainthood. We are all ordinary people. Look at the what we can achieve. Lets keep the examples of the Saints lives with us at all times but especially during this special Feast in the church calendar.

Peace,

John Pinone
