September 2021-

From the Desk of the Executive Director...

■ Greetings!

This month we honor the laborers of our nation. Not only those who labor in the fields, the factories, the offices, but also those who labor for the Kingdom. Let us never forget the importance of working daily to our fullest potential in our earthly jobs but also our spiritual labors.

At the CCA we recognize the gift of work. Being able to labor for the families of the Archdiocese is a gift that we never want to lose sight of or take for granted. As

such we work diligently to meet the needs of the families entrusted to us by the Archbishop. Some of you may have experienced delays that you are not used to when dealing with us. Unfortunately this problem, especially with certain flush markers and monuments is a world wide issue, not unique to the CCA. We apologize for any problems you have encountered along the way in this regard, but want you to know we take every issue very seriously. We are working with suppliers and sources to the very best of our abilities to ensure that you receive the best service possible. Your understanding during these difficult times is greatly appreciated and noticed.

On September 25th the CT Catholic Men's Conference is being held at New Britain Stadium. I encourage all Catholic men to review the information below about this important event. Being declared the Year of St Joseph by the Holy Father, what better way to spend a Saturday than with other men dedicated to living the virtuous life exemplified by the earthly father of our Lord.

As summer comes to a close and we gear up for the holiday season, know that your CCA continues to work hard for you and your family to provide the very best resting place for your loved ones. Please visit your loved ones as often as possible and offer your suggestions to make our Cemeteries even better!

Peace,

John Pinone

I find families are even actually having fun on our tour through the Cemetery. It is such a pleasure to help them find their forever homes."
