The Catholic Cemeteries Association Mission Statement...

The Mission of the CCA is to provide for the burial needs of the families of the Archdiocese of Hartford that honors the deep religious significance of the Corporal Work of Mercy of burying the dead and with a firm commitment to the teachings and traditions of the Catholic Church. We treat all families with the deep compassion and understanding that they have entrusted their loved ones to us for eternity.

Happy Mother's Day!

From the Desk of the Executive Director

Greetings!

Traditionally May is heralded as the month of Our Lady. Throughout Church history we venerate Mary for her role as Our Mother, Friend, Benefactress, Mediatrix of all Graces, and of course Mother of our Savior. She is held in high regard in the CCA, as you can see by our logo. Mary fully experienced the loss of a cherished relative. Hail Mary, full of grace...

May is also a very special month as we celebrate Memorial Day, May 27th, honoring all those who made the ultimate sacrifice to our nation both at home and abroad. It is never fully possible to express the thanks we have for those brave soldiers, so we honor them with parades, visits to cemeteries, flag and wreath ceremonies, etc. If you have a loved one who gave their life in service of our nation, or just want to pay tribute in your own way, please visit our cemeteries to lay a wreath or US Flag on the grave and say a few prayers for

all those who served. It is always a good practice to remember the brave people who, in this difficult last year, responded to the call of duty to take care of those in need. All are welcome to join us for Mass on Memorial Day. Check our website for more information on how to honor a Veteran at the mass.

Lastly, May is the month we honor all Mothers with the celebration of Mother's Day. Held on the second Sunday, May 12th is a day we remember the sacrifice, love and gratitude we feel for those wonderful women who cared for us. Hopefully you can visit your loved ones on this important day to find peace and solitude as you pray and reflect on their lives and contributions.

Happy Mother's Day! Happy Memorial Day!

Our Lady Queen of the Universe, pray for us!

Peace,

John Pinone

BRAD ANDERSON

Brad Anderson

Brad was born and raised in rural Michigan. He owned an excavating business and was a licensed builder for 5 years. Deciding to put all forms of extreme outdoor weather behind him, he found his true passion and entered into the world of Funeral Services. Brad worked as a licensed Pre-Need Counselor and Final Expense Insurance Agent while living in Southwest FL.

Upon relocating to Connecticut, Brad recognized the fact that a large number of people did not realize that they were able to plan their end of life wishes once they are 40 or older. So, he expanded his horizons and entered into Cemetery to become more well rounded in the industry so that he could help educate about this. He transferred his License so that he can help families with end of life planning through the Catholic Funeral Plan.

When he isn't working Brad is actively involved in his church or spending time with his Family. He lives in Wallingford and has 4 beautiful daughters and a wife who is also in the industry.

Ask him about the Catholic Funeral Plan.
