The Catholic Cemeteries Association of the Archdiocese of Hartford, Inc.

For the months of July and August 2024 the CCA has designed a promotion to save families of the Archdiocese a significant amount of money on the combined purchase of a grave and a monument.

Purchase 2 graves and save \$150.00 off the price of the graves. No limit to number of 2 grave purchases exist. Purchase a monument from the CCA within 30 days of the grave purchase and save 25% on the price of the monument!

By combining the purchase of a grave and monument your family can save thousands of dollars!

Please visit a Family Service Advisor to get the specific details of this limited time offer and design your monument with their help.
